Per our discussion, attached is a copy of [REDACTED] contract, Mr. Bannerman's memorandum dated 13 May 1969, and my Memorandum for the Record dated 16 May, all of which describe [REDACTED] mission and administrative matters. I have sent [REDACTED] a message that if need be he should contact you during my absence. I can think of nothing likely other than perhaps his statements of the days on which he has worked and for which he is due remuneration. If he wishes to be paid for the days he has worked in May, all that is needed is a certification by you to Finance of his performance under the contract. Will you please hold these papers until my return. [REDACTED] home telephone number is [REDACTED]. His office telephone number (in Security) is extension 6540, which is in Room 4E-53. [REDACTED] is his contact for questions about the papers he is reviewing.
